I, ___________________________________________________________
have read and understand the Computer Science Department Computer Policy.

I understand that

1. I am responsible for knowing any information that is mentioned in class or posted to the class mailing list.

2. Programs must be written individually.

3. Programs must run on onyx.

4. Programs turned in late will will be penalized.

5. Programs turned in more than a week late will not be graded.

6. Copying programs, written assignments or test answers from another student, from the Internet or from any other source is cheating.

7. Students who allow another student to copy a program are subject to the same penalties as the student who did the copying.

8. All cheating incidents will be reported to the Student Conduct Office.
